Meeting of Creditors 13 **August 31, 2020 12:00 pm**

All documents are satisfied. There are amendments needed.

Add tax refund language. Debtor owes taxes each year because per testimony he can't afford to pay them. Hasn't paid the \$4,284 he owes for 2019 yet. The \$1,100/month income on the 122C isn't rental but UBER income. Resolve Honda objection.

Amend I, debtor hasn't driven UBER since the pandemic started. Testified he made \$1,100 per week not per month with UBER before the pandemic started. Unemployment is \$198x4.33 = \$857/month.

Add tax refund language to the blank section 2.3 of the plan. Amend the means test to include her tax refund. DAT says amended disclosure fixes the 2016(b) issue. Amend B line 7 to list the electronics she owns. Resolve the IRS POC that shows unfiled taxes for 2019.

Income per testimony: $\$824.08 \times 2.167 = \$1,781$ vs $\$1,608$ on Schedule I. Multiple filings are due to inconsistent income. Income stable now with her current job. Said she's gone over the differences between Chapter 7 and 13 and went with the 13 because she was advised some things wouldn't be covered in a 7. Went with the 13 because she had already put the filing fee down and knew she could convert later if necessary.

Amendments needed, all documents are not satisfied. Need DSO.
 Debtor stated that she does not own or operate a business, but her non-filing spouse does. Debtor does not know how much the non-filing spouse makes. Need proof of the non-filing spouse's income.
 Amend the 122C from, Debtor has listed business income under in the debtor's field instead of the non-filing spouse's field.
