

## ***Announcement Regarding Debtor Attorney Access To Use NDC Website:***

The Trustee is now accepting requests for access to the National Data Center ([www.ndc.org](http://www.ndc.org).)

So that access can be restricted to users who have signed a Website Access Agreement WITH OUR OFFICE only and for security reasons,

1. Each user from every office will have to sign a Website Access Agreement to obtain individual login credentials. All current users who submitted a Website Access Agreement in 2019 will need a new agreement.
2. A new, **unique** email address must be created for each user in your office and must contain "MOM" with the following format:
  - User\_MOM@DomainName.extension
  - Example: JaneDoe\_MOM@bankruptcylaw.com
  - **It cannot be the same email address used to access Trustee Stearns or Trustee Vaughn cases with NDC!**
3. Each user must submit the Website Access Agreement with the new email address.

Send an email to [ndc\\_inquiry@chi13.com](mailto:ndc_inquiry@chi13.com) to request a Website Access Agreement.
